Combining two Valley publications into one can be a bit of a challenge. It will be a work in progress. It becomes more and more necessary to strictly observe the “NEXT ISSUE DEADLINE”. We appreciate your contributions for consideration in each issue, pictures and articles etc. We also very much appreciate your cooperation in this transition.

A Charmed Life

Bro. Metcalf came from strong New England stock and emigrated to Battle Creek, Michigan when he was 17. He returned to the East Coast to study Dentistry. Coming back to the Southwest Michigan area at the completion of his dental education in 1854.

His health took an unknown turn in 1857 and he removed to New Orleans to practice dentistry and enjoy a warmer climate more agreeable to his health. In 1861 he found himself arrested by the State of Louisiana under a charge of Treason. Bro. Metcalf, it would turn out, was suspected of providing intelligence to the Union during the onset of the Civil War. His Masonic brothers in the North intervened on his behalf with Masonic members of the Louisiana government and were able to obtain his release and spirit him back to safety in Michigan.

Back in Michigan

III. Bro. Metcalf would take up where he left off in Masonry on his return to Michigan. He became Master of his Mother Lodge (Kalamazoo No. 22) and served as Grand Master of Masons in Michigan in 1869 and 1870. He would also become Commander of DeWitt-Clinton Consistory and take a very active role as a Knight Templar. He was renowned for his command of ritual. To which it was said, “When his hand held the gavel, the velvet glove was never soiled or frayed.”

In his personal life, he excelled in dentistry and was responsible for several dental inventions and innovations that brought him much financial success. A pioneering Scottish Rite Mason in every sense of the word. Though his passing broke the final link, his labors continued on in the hearts of others.

Don’t Be Scammed

My husband told me the other day that he had received two e-mail messages from Scottish Rite members saying that they were traveling and had run out of money, and would he please wire money to them. Well, one of the messages he opened the day after he had seen the member and he didn’t seem to be in Scotland and out of money. Obviously these messages were scams.

There is another scam going on involving grandparents of older grandchildren in which the grandparent gets a call claiming the grandchild is in trouble of some sort and needs to have money wired to them. The call seems so true that the grandparent sends the money requested and finds out later the grandchild was not in trouble at all.

A few years ago I received a call from someone claiming to be from my bank and the person claimed that there was a problem with my account and that he needed my account number. Well, I knew that if he was from my bank he would naturally have my account number so I did not give him any number, but a number of people have been duped by this scam and had their accounts cleaned out.

As we age and become a little less skeptical of things that don’t sound quite right, we become targets of scam artists. I had a friend who lost all of her money to a scammer who claimed she was going to come into a lot of money. The only one who came into a lot of money was the scammer.

So if you get a call or e-mail from someone asking for money or bank account numbers do not send money or give a number. If you think maybe the bank was truly calling, after you hang up call your bank yourself to make sure. But do not give out numbers; bank account, social security numbers or credit card numbers unless you have initiated the call yourself.

Oh, by the way, if you were truly in need of money and needed help, we would not hesitate to do so.

Scottish Rite Dues

Webster’s Dictionary defines dues as: “Satisfying or capable of satisfying a need, obligation, or duty”. Does this sound like something that was associated with the obligation that you took to become a Scottish Rite Mason? Or something that is a duty that you owe to the Valley that you joined? The Board of Trustees, Officers and members of the Valley sure hope so. The dues we collect are the lifeblood of our Valley. We don’t have many fund raisers; so we reply heavily on our dues to function as a Valley, and to pay our bills.

The 2012/2013 first notice of dues has been mailed out; and we sure hope that you received yours. If not please contact me or one of the Officers of the Valley. We would ask that you try to pay ASAP. Don’t forget that you will not receive a dues card. You should have received, in the mail a short time ago, a plastic dues card which is now your permanent dues card. If you haven’t received it; or maybe you have misplaced the card, please contact me ASAP, for a replacement card. You should carry this card with you at all times. This card is your passport into the Scottish Rite reunions, and to all other “tiled” Scottish Rite functions. So, be proud of being a Scottish Rite Mason, and be proud to show your membership card when asked.

We know that the times are rough and money is scarce. So, if you have fallen on hard times and are having financial difficulties, please contact me; or one of the Officers, and inform us of your situation (this request will be kept confidential; and only the necessary Brothers will have this information). Remember, we can’t try to help you, if we’re not made aware!!! We do have some programs that are in place, to try to provide you with some assistance, while you are in your time of need. Perhaps with a little help, we can assist you in getting back on your feet again.

Fraternally,
Gerald W. Schwartz, Secretary of the Valley

Robert Samuel Huff was born and raised in Marquette, Michigan. He attended John D. Pierce school from elementary through High school. Following school He enlisted in the Army and served in the Korean conflict prior to attending and graduating from Michigan State University. He graduated with a degree in Wildlife Management and soon found employment with the state of Michigan as a Wildlife Biologist.

After a long and highly successful career Brother Bob retired as District Supervisor for the Department of Natural Resources Wildlife Division. Following the death of his first wife, Brother Bob met his current wife, Jackie in their church. They married and together they have eight children, three boys and five girls. They are active in the Order of the Eastern Star and participate in many Masonic activities.

Brother Bob joined James E. Dillon lodge at Mesick in 1972 and became a member of the Valley of Grand Rapids AASR on the same date. In 1979, he became Worshipful Master of James E. Dillon Lodge. He transferred part of his Scottish Rite membership to the new Valley of Traverse City becoming a charter member of the new body. He became active in the sixteenth degree cast and an officer in the Council of Princes of Jerusalem. He served on the Board of Directors and advanced to become Sovereign Prince. Brother Bob commented that the things he has learned to appreciate most about Masonry and the Scottish Rite is the values and precepts of the craft and the personal relationships he has formed.

We are proud of our brother Robert Huff. We greatly value his contributions to the craft and we are grateful to be considered his friends and brothers. It is in this spirit that we proudly confer the designation of The Robert S. Huff Class upon the members of this Scottish Rite class.

Looking For a Few Good Men

The modern day Order of Knights of St. Andrew (KSA) is an organization exclusively for 32° “Black Hat” Sublime Princes of the Royal Secret and models itself on the noble example of those first sixty-three knights. Its mission is to help its members become more active and play a larger role in the Valley; to support the Executive Secretary in the many needs of the Valley, and to instill a sense of Service and Duty upon its members and provide an example to others.

Their flexibility and enthusiasm will make the Knights of St. Andrew one of the Valley's most active and desirable organizations. Our purpose is to provide service, education, fellowship, and fun to members and friends of the Scottish Rite, especially the 32nd degree Masons who make up the vast majority of the membership of the Rite. What an excellent way to nurture fellowship and develop future leaders as they learn their organizational and leadership skills, explore the inner workings of the Valley, and thus gain a deeper admiration for our Order and Brethren who work in Freemasonry as a whole.

Requirements:
• You must be a 32° Mason to join. MSA and 33° members are not eligible to join, but a current member of the Order, subsequent to their advancement, will retain his KSA membership status.
• You must be a member in good standing in a Scottish Rite Valley.
• You must have a desire to serve without expectation of reward.
• You must pledge to be an active member in the Valley, have time to be of service to the Order, and be committed to promoting our Fraternity in the best possible light.
• You must be willing to improve yourself in the knowledge of the SR degrees.

If you are a 32° Scottish Rite Mason and are willing to commit to the above requirements and are interested in learning more about the Knights of St. Andrew,
Contact: Scottish Rite Office for questions and petitions: 1 800 340-4060

Dear Scottish Rite Scholarship Committee and Scottish Rite Masons,

Thank you for awarding me with the Abbott Scholarship. Thank you also for the wonderful dinner. This fall I am entering into my senior year at Aquinas College and will be graduating in the spring with a double major in history and political science. The generosity of the Scottish Rite Masons over the past years through this award has helped me to work towards the realization of this goal.

Thanks again,

Jane Dibble

December’s Rose is a public Masonic play set in the present. The place is Fidelity Lodge, a small country Lodge, in the town of Pineville, a small mid-western town which is several miles from the nearest freeway. The Lodge members are country people, farmers and small town business owners, to them Masonry is serious and they do their best to live by its teachings. The Lodge, which is 100 years old, has meant much to Pineville, supplementing the church, teaching high ideals and promoting friendships. The time is during the Christmas Season and is a wonderful story of perhaps the greatest of the three tenets of Freemasonry - Charity

Invite your friends and neighbors and introduce them to the Masonic Fraternity!
